

2021 – 2022

ANNUAL REPORT

**DON BOSCO INSTITUTE OF TECHNOLOGY,
MUMBAI**

VISION

DBIT will be known to have an innovative, enjoyable and holistic learning environment that transforms individuals into socially conscious citizens the Don Bosco way, and will lead in research and entrepreneurship in the area of sustainable technologies.

MISSION

- To create future engineers who work with honesty and integrity and excel in the use of technology for the benefit of the underprivileged.
- To train engineers to be innovative problem solvers and entrepreneurs who engages in research and life-long learning.
- To provide a diverse and stimulating environment for staff and students to grow holistically.

From The Director's Desk

When Don Bosco Institute of Technology (DBIT) was established, it was our hope and endeavor that every young person we engage with at DBIT would walk away with dignity, confident that he or she has the requisite competencies to be an innovative contributor to the professional world. But that is not all. Every DBITian would also be that kind of a Human Being that recognizes his or her responsibility to add value and goodness to Life and the world we live in. This would not only make India proud but would also enable our graduates to be on the world stage.

So In keeping with the tradition of Don Bosco, DBIT creates an environment that fosters in depth learning. Striving for excellence is nurtured and supported with mentors and opportunities to charter one's own path to life's ambitions. This is enabled through innovative teaching learning methodologies partnering with industry experts, international agencies and research. All this with the feeling that you are among friends.

DBIT is an institution that works in harmony with all stakeholders. Given the infrastructure, the well-equipped labs, spacious playgrounds, the kind of cultural and technical events ably organized by the different clubs, cells and chapters, each one's expertise and talents are welcomed, enhanced and recognized. This results in higher self-worth, promotes cooperation, fuels aspirations and helps students discover themselves.

We live in a Technology driven world but we cannot forget that the earth sustains us and we have a responsibility to care for it. So while grappling with the challenges of Industry 4.0 and racing to keep abreast of it we remind ourselves that we must contribute to a sustainable world. That is why at DBIT there is a thrust to work with and for the local community as well as the underprivileged and those on the fringes of society. Technology must be at the service of the poorest and the remotest. Only then will our education be inclusive and truly life enriching.

FR. MARIO VAZ

Principal's Message

It gives me immense pleasure to present our Annual Report for the academic year 2021-22. This has been an eventful year in every sense and has challenged us as never before. The lockdown pushed us into a phase of surprise, confusion, chaos amongst other things. Important activities that were lined up for the academic term like the alumni SYNCHRONY MEET, the much anticipated project exhibition cum competition, INNOVEX-21 and INNOVEX-22, the eagerly awaited FAREWELL, all seemed impossible to conduct. But the 'never say die' spirit of the faculty and their innovativeness, coupled with the enthusiasm of the students ensured that most events were held in the online mode with as much pomp and fervor as possible. Then came the challenge of online conduct of lectures and practicals. Here again the faculty rose to the I and displayed their creative and innovative side to try various platforms and tools to engage the students as deeply as possible, in the process setting up some good practices to be emulated by others. Be it mentoring, placement drives, social engagement of students, conduct of technical and cultural festivals, we did it all.

However actual engagement in the class physical participation in events and activities was sorely missed. The Annual Report captures all the information and images of the events that defined 2021-22. I compliment the faculty and student team that has put in several hours in editing and formatting this book. Let's hope that in 2022-23 we are able to bring back the personal touch in our professional life.

DR. PRASANNA NAMBIAR

PLACEMENT DATA

DBIT's Training And Placement Cell has a student centric approach and we make certain that we connect with as many companies as possible for the placement of our students. **Over 300 companies** from various sectors come to DBIT to recruit the great talent that our institute has to offer.

HIGHER STUDIES DATA

Students of DBIT have been successful in getting into prestigious universities all over the world. This year too many students went on to complete their higher studies in different streams.

ONLINE ACTIVITIES -

SYMPOSIUM ON GEOSPATIAL INTELLIGENCE

On December 3rd and 4th, 2021, a Symposium was held on Geospatial Intelligence. It hosted online with more than 350 participants from over 9 countries. The main objective was to show the prospects of this domain to the students and to know the current thoughts on incorporating **AI algorithms into geospatial surveillance and imagery analysis**. The symposium had some keynote speakers, online training, panel discussions and research done by students. Sponsorships of **USD 4,000** were given.

ENGINEERING FUTURES – CrEAST PROGRAM

CrEAST which stands for “Creative Explorations & Advanced Skilling in Technology” is a program specially designed to motivate underprivileged students and students with learning disability (LD), especially girls to take up a career in STEM (Science Technology Engineering & Math).

The programme aims to prepare impoverished and LD students for the future and inspire them to pursue careers in STEM, which will improve their capacity to think creatively and innovatively and make them more useful members of the society.

At Holy Cross High School in Kurla, Mumbai, on August 13, 2021, Rev. Father Anthony Pinto, Rector-Director of Don Bosco Institute of Technology, Mumbai, officially launched "Engineering Futures - CrEAST," a distinctive training programme financed by Larsen & Toubro Ltd. The ceremony was graced by the presence of Rev. Fr. Mario Vaz, Executive Director, DBIT, Ms. Swati Pongurlekar, Assistant General Manager, CSR Department, L&T Ltd, Dr. Prasanna Nambiar, Principal, DBIT, Rev. Fr. Nobert D’Souza, Principal of HCH School, Kurla, Ms. Jeane Gomes, Principal of MH School, Kurla, and Ms. Musarrat Shaikh, Principal of SVM School, Kurla.

The course details are as below:

Soft Skills - Prof. Sachin Sugave

natureSense - Prof. Jithin Issac

meraAPP - Prof. Freda Carvalho

Build Your Web - Prof. Nilesh Ghavate

Map Maker - Prof. Tayyabali Sayyad

MUMBAI HACKATHON

Mumbai Hackathon is a two-day event organized to encourage the **creation of open source software**, a gathering where students can collaborate to create problem-solving software and an excellent site for connecting and disseminating solutions among open source enthusiasts. The cherry on top was the option to formulate your own problem statement and select the language to approach it.

On April 9, 2022, the annual Mumbai Hackathon was organized and hosted by Don Bosco Institute of Technology in partnership with FOSS United.

A total of **49** children from schools in Mumbai, Thane, and Navi Mumbai attended the event. The total winning prize for the competition was **Rs.1,00,000** , which was sponsored by the **ERPNext Open Source foundation**.

Mumbai Hackathon 2022 Winners:

Category	Project developed	Team Members
Winner	SheduleX(Genetic algorithm based timetable generator)	Tirth Shailesh Thoria Rushil Sanjay Shah Krupal Vinod Vora Vivek Praful Vadhiya Akash Anil Dhuri
1st Runner Up	Khansama.app(Recipes UI that keeps your sanity!)	Kaustubh Maske Patil
2nd Runner Up	Ashtagraha(Educational game for children to learn about planets)	Santo Sunny Hitesh Sharma Sahil Bane Malaika Monterio Naman Chouhan

DEPARTMENTAL DAYS

At DBIT, Department Days is an interdepartmental event when each department honors its accomplishments through the organization of various cultural events and felicitation ceremonies. The faculties of the respective department congratulate students for their accomplishments that they have made over the academic year.

VORTEX (MECH)

DBCL LEADERSHIP CAMP 2021

The leadership programme held on the days 12th to 14th December, 2021 at Karjat shed light upon the social issue of **Substance abuse** and also **Environmental issues** to make DBCL a clean and green campus. They magnified the importance of these topics during this Leadership camp.

The main aim of this program was to provide effective solutions.

Harmful effects and recovery methods were not only illustrated with examples but also theoretically briefed to help one another understand better.

The measures for substance abuse drawn out through discussion were:

- **CCTV cameras at the basketball court** - The installation of CCTV cameras can be effective to keep under observation the teenagers and adolescents of our campus to prevent the use of such substances.
- **Parent Professor Conference** - Addressing the issue and making parents and professors aware of substance abuse through sessions will prove to be a beneficial factor for the life of students. It will help the student as well as the teachers to understand the perspective of both sides and take precautionary measures.
- **Student awareness programme** - Activities such as after-school programs, incorporating life-skills training into drug education curricula, helping students become better informed, providing counseling, identifying problem behaviors, etc adds an important impact as well.
- **Positive Peer sponsorship** – To provide them with an optimistic environment which can help them overcome their reluctance and hesitation to create a better life for themselves, making this possible through peers of their age.

The remedies for environmental protection were:

- **Segregation at source** - Bifurcating the dry and wet waste at source by providing different bins for each. Also a separate bin for plastic and Tetra packs should be made available which can later be sent to NGOs for proper disposal.
- **Saplings as gifts** - Parenting plants, indeed means parenting oxygen, which in turn benefits us to live in a healthy area. Thus, this is another creative method to present one another saplings.
- **Design Thinking Competition** - To give students an opportunity to come up with effective and creative models to sustain the environment. Therefore, model building and materializing it will influence them to compete on a wider scale for the betterment of the society.
- **Plant stalls** - To provide stalls during events such as Hysteria, Colosseum, etc in order to encourage students to invest in the environment.

These measures would help to build a **strong foundation** for the future of DBCL. This will help the young minds be aware of the current problems and encourage them to find solutions.

HYSTERIA - CULTURAL FEST OF DBCL

Hysteria is unmatched as the annual inter-collegiate cultural festival of DBCL because it achieves the goal of including every single category of competitions and rocketing each skill set. Be it the rhythms of music, the elegant moves of dancing, or the verbal impact of literary events to the skies. This year's theme was '**Renaissance**'.

This cultural festival offers equally significant venues and chances to newbies, those looking to grow, and those who take part only out of curiosity. Hysteria surely embraces everything when it comes to the sphere of cultural events and is constantly sought after to attain positive achievement in any student's life!

Students in Hysteria - 2022 Management Team From DBIT

Position/Domain	Students' Names
Head Coordinators	Haramal Liddar Siddhartha Sahu Adonia Sequeira

Security and Logistics Head	Pranav Yadav Noel Fernandes
Technical Head	Tushar Padhy

COLOSSEUM

The faculty and the various student committees of DBIT host 'Colosseum', the annual technical festival of the Don Bosco Institute of Technology. Over the course of two days, the committees plan a variety of events in addition to numerous other social projects. Colosseum is renowned for hosting a variety of events like competitions, exhibits, conferences, and seminars along with enjoyable activities for students across the entire campus. This year's colosseum took place on 5th & 6th April, 2022 and theme was '**Into the Metaverse**'.

The various workshops, competitions, talks, exhibitions and fun & mega events conducted are:

Domain	Conducted events	Speaker/Instructor/Conducted By
Workshops	Arch Linux	Mr. Raghu Kamat
	Basic Finance and Technical Analysis of Stocks	Dr. Pruthviraj Desai
	All About Manufacturing	Madgears Motorsport Club
	Showdown of Boats	Mr. Nitin Kak

		IPS Amit Lodha
	Technical Talks	Step Into Metaverse : Mr. Pankaj Mehta
		PNT Robotics: Mr. Ashish Patil
		Supply Chain Management: Mr. Navin Manaswi
	HOF	Mr. Makarand Deshpande
		Mr. Rohan Shankar

TEKNACK

Teknack is one of the amazing battlefields provided by **ACM** for the students of not just DBIT but also of other colleges to boost up their creative skills and pump up their technical skills by amalgamating with newer ideas and facts to build up games that give the players an experience that would last with them forever.

Total Registrations : **112**

Total Developers : **39**

One of the best ways to carve some good ideas into minds, especially of the young, is through a game and keeping this in mind, Teknack has produced some value enhancing games that give the player a chill down the spine.

The event consisted of 3 juries **Dheeraj James, Sean D’cruz and Rahul Pudurkar** and the award categories are as follows:

Category	Criteria	Winner
Best Game UI	Awarded to the game with the best overall ui, consistent interface and an environment that is appealing to the end user.	Sky Gliders
Best Gameplay	Awarded to the game with least glitches, smooth gameplay and animations, fluid navigation between scenes and button clicks, proper gameplay mechanics and controls and overall execution.	Dawn of Survival
Best Game Concept	Awarded to the game with the best concept which is unique but at the same time should be designed and planned well with best execution.	Rescuebud
People’s choice	Winner to this award is chosen by the audience. This award is decided by a 50-50 rule. 50% downloads on play store and 50% likes on instagram.	Perilous Ways

INNOVEX 2021-22

Innovex is a **project exhibition** and interdepartmental competition wherein the BE students from all four departments exhibit and demonstrate the projects developed by them under the guidance of respective faculty members.

The Major objective of this exhibition is to provide a platform and unleash the potential of the students by showcasing their innovative projects as Industry Defined Problem or User Defined Problem.

The winners for innovex 2021-2022 in each department are as follows:

Dept.	Total No. of Projects	Position	Project Topic
COMPS	26	1st	CRNET Customer Conversion Rate Network
		2nd	DREAM-Diabetic Retinopathy Analysis using Machine learning
		3rd	Proct-Xam - AI Based Proctoring
IT	25	1st	Reconnaissance using Deep Reinforcement Learning
		2nd	Traffic Sign Recognition Using Deep Learning
		3rd	Trading Strategy Analyzer
EXTC	19	1st	Low Cost Portable Digital Storage Oscilloscope
		2nd	Design & Analysis of a Compact Metasurface Filter&Design & Analysis of a Compact Metasurface Based Phase-Shifter
		3rd	Smart Voting Machine using FPGA
MECH	73	1st	Design & Fabrication of Floating Garbage Collection System
		2nd	Design, Fabrication & Testing of a Smart Mini Incinerator
		3rd	3D Printed Hand Cast Using Photogrammetry
		Consolation	Design of Passive Exoskeleton to Assist Overhead Tasks
		Consolation	Solar Panel with Sun Position Tracking & Automatic Solar Cleaning
		Consolation	Road Safety for Two-Wheeler

SPORTS ACTIVITIES ORGANIZED

BY THE INSTITUTE

DEPARTMENTAL TRIADS

Departmental Triads is the Inter-Department Shield Competition where four departments engage in cultural and sports events to win the Department Shield. Students from FE, SE, TE, BE participate in the various events and are given points accordingly.

The main objectives of the Departmental Triads were:

- To help students to get the college exposure that is required for their holistic development
- To help students to come out of their shells and try out new activities
- To increase students' engagement with the management, faculties and the student council.

This year the Department Triads was conducted between 24th January 2022 to 31st January 2022. It included events like **Don Bosco Premier League, Don Bosco Cricket League, Chess, BGMI, Tug of War and Treasure Hunt.**

This year, with the efforts of all the students and our faculty support, the Computer Department successfully bagged the Departmental Triads trophy.

DON BOSCO PREMIERE LEAGUE (DBPL)

The most anticipated sporting event of the year Don Bosco premier league which is an football tournament took place in the month of January. The event was held from 20th Jan to 31st Jan. For this event, more than 100 students participated. Students had two options in this tournament as they can be a Player and manager. For the students who are not interested in playing and were more inclined towards management, they had the option to manage the entire team. The event had 12 teams participating in it.

The objective of the tournament was to get all the students from Don Bosco institute to participate and to make a friendly environment between them as the teams were formed randomly so each teams were consist of students from every year. The finale took place on 31st of January 2022 which was Don Bosco day.

WOMEN'S DAY EVENT

The most anticipated sporting event of the year Don Bosco premier league which is an football tournament took place in the month of January. The event was held from 20th Jan to 31st Jan. For this event, more than 100 students participated. Students had two options in this tournament as they can be a Player and manager. For the students who are not interested in playing and were more inclined towards management, they had the option to manage the entire team. The event had 12 teams participating in it.

The objective of the tournament was to get all the students from Don Bosco institute to participate and to make a friendly environment between them as the teams were formed randomly so each teams were consist of students from every year. The finale took place on 31st of January 2022 which was Don Bosco day.

MAKE-A-THON

Make-A-Thon is an event organized by the Entrepreneurship Cell (E-Cell), headed by Dr. Pradeepkumar Suryawanshi, where students from various departments at the DBCL level to collaborate for a limited time (2-3 months) to ideate, create & deliver solutions to various challenges & problems, either of their interest or from the database of problems provided by the Make-a-thon organizers. Event kick-starts with challenges being selected/proposed to participants, for which they have to come up with an innovative solution and develop a prototype within 2-3 months of Ideation. Solutions can be based on hardware and software projects and are refined based on feedback from faculty and other industry experts. Event concludes with judging and prize distribution/incubation.

It was successfully organized virtual state level flagship programme of DBIT Mumbai in Startup and Entrepreneurship (Software & Hardware Edition), in June-August 2021.

Team	Position	Cash Prize Won
Briana Rajan (DBIT)	1	INR 9,000
Aishwarya Nathani (Thadomal Shahani Engineering College)	2	INR 6,000
Atharva Joshi (DBIT)	3	INR 3,000

THREE TRACK PROGRAM AY 2021-22

The BSH (FE) department through its objective had proposed Wellness VAC (Value Added Course) with the intention of the overall development of the students. To enhance the aspirational and wellness quotient of every student through implementation of Institutes' 3 track program where the student will be exposed to diversified technical & cultural sessions, sporting events & human values.

In SEM 1 under a three track program the following activities were conducted by Literary club and Math Club.

During the FE student orientation Math club had conducted the calculator workshop.

The events conducted by Literary club are as follow:

Lit-Trail Poster

Ad Lit Poster

J.A.M. Poster

Public Speaking for Newbies Poster

Parley Poster

Comm-Peer Poster

VALUE ADDED COURSE 2021-22

In Sem 2 under the 3 track program Value added course “Wellness – The First Choice” was conducted.

Through the recurring lectures, the BSH department aimed to complement the academic syllabus with extremely practical knowledge that can equip students with-skill sets widely sought by the Industry.

The following lectures were organized by the BSH department for the Wellness course:

Wellness – The First Choice - Value Added Course	
FacultyName	Topic Name

2021-2022

23 March 2022

As a faculty exchange programme undertaken by the Principal of Jawhar College and the Principal of Don Bosco Institute of Technology, signed Memorandum of Understanding was handed over to the Principal of the Jawahar college Dr M. R. Meshram. The Dept. Of English organized guest lecture under Faculty Exchange Programme with Don Bosco Institute of Technology, Kurla Mumbai.

Prof. Sachin Sugave delivered lecture on Communication Skills and the importance of Communication Skills to the students. Prof. Satyanarayana too delivered lectures on Science subjects. Guest lecture under the programme was organized in two sessions for Maths and Chemistry. The programme was coordinated by Prof. Royal D'Souza from Don Bosco Institute of Technology and Prof. Shailesh Bagdane from Jawhar College.

HALL OF ACHIEVEMENTS

MEMORANDUM OF UNDERSTANDING

The institute signed several MoUs to collaborate with renowned institutes and organizations for enhancing faculty and student skills and knowledge. Some of the notable ones signed during 2021-22 are as follows:

Sr No.	Collaborated Agency Name	Date of MOU / Agreement Signed on	Type of Collaboration
1	Radiojitter concepts Lab LLP	23rd Feb, 2019	Corporate/Industry Association
2	Health Wheel Pvt Ltd	23rd May, 2019	Corporate/Industry Association
3	Sequel Strings	15th June, 2019	Corporate/Industry Association
4	Shri Vithal Education and Research Institute's College of Engineering	23rd May, 2019	Educational Institute
5	IROBOKiD Neelkanth Business Park	13th Nov, 2019	Corporate/Industry Association
6	E&ICT Academy, IIT Guwahati	28th Nov, 2019	Educational Institute
7	QDnet Technologies	5th Dec, 2017	Corporate/Industry Association
8	Lunghwa University of Science and Technology	7th Nov, 2018	Educational Institute
9	Fu Jen Catholic University	3rd Nov, 2018	Educational Institute
10	Larson and Toubro Limited	22nd July, 2021	Educational Institute
11	National Center for Quality Management	6th Dec, 2021	Non - Govt Agency
12	Navayuvak Entrepreneurs	11th Sept, 2021	Corporate/Industry Association
13	Tele Networks Technologies Ltd.	25th Feb, 2022	Corporate/Industry Association
14	Thane Small Scale Industries Association, Thane	21st Feb, 2022	Corporate/Industry Association
15	Chamber of Small Industry Association, Thane	21st Feb, 2022	Corporate/Industry Association
16	Sardar Patel Technology Business Incubator	4th Dec, 2021	Educational Institute
17	National Council for Quality Management	6th Dec, 2022	Corporate/Industry Association
18	Gokhale Education Society's- Arts, Commerce and Science College, Jawhar	1st Feb, 2022	Educational Institute

FACULTY

ACHIEVEMENTS

Appointment as Experts, Panelists and Reviewers

Name of faculty	Achievement Details
Computer Engineering	
Dr. Phiroj Shaikh	<ul style="list-style-type: none"> Evaluated PhD Thesis of research scholar from SRK University, Bhopal (MP) Actively involved in institutional policy & guidelines making for NBA and NIRF.
Dr. Amiya Tripathy	Technical Program Committee member at 4th International Conference on Big Data Engineering, May 26-28, 2022 in Beijing, China.
Prof. Sana Shaikh	Written book on "Introduction to DBMS: Designing and Implementing Databases from Scratch for Absolute Beginners" published by BPB Publication.
Prof. Dipti Jadhav	3 Innovative projects Idea submitted to YUKTI National Innovation Repository.
Electronics and Telecommunication	
Prof. Pratibha Dumane	Delivered a talk on “Becoming Future-Fit” during the Induction Programme for the first year students of Government Polytechnic, Pen, District Raigad, Maharashtra on 12 October 2021.
Prof. Poonam Chakraborty	Delivered a talk on “Passive Optical Networks” on 02 September 2021 for the final year EXTC students of Xavier Institute of Engineering, Mumbai.

Appointment as Experts, Panelists and Reviewers

Name of faculty	Achievement Details
Electronics and Telecommunication	
Prof. Freda Carvalho	<ul style="list-style-type: none"> • Conducted a hands-on training session on “Moodle” for Faculty Members of Holy Family Institute of Nursing Education, Kurla (W), Mumbai, on 05 & 07 July 2021. • Mrs. Freda Carvalho and Mr. Tayyabali Sayyed, Faculty-IT Dept, conducted a hands-on training on “Moodle” for the teaching staff of Pillai College of Engineering, New Panvel on 26 January, 2022.
Dr Sudhakar Mande	<ul style="list-style-type: none"> • Delivered a webinar on “Recent trends and Career Opportunities in Electronics & Telecommunication Engineering” at St. John Institute of Technology, Palghar, Thane in August 2021. • Delivered a talk on “Overview of Memory and Storage Devices” at Fr. C. Rodrigues Institute of Technology, Vashi, Navi Mumbai in September 2021. • Was invited to deliver a talk on “Bloom’s Taxonomy: Tool for Enhancing Quality of Engineering Education” on 01 April 2022 in the IQAC Talks Series organized by Oriental Institute of Sciences and Technology, Jabalpur.
Mechanical Engineering	
Prof. Johnson Varghese	Delivered Guest lecture on “Applications of Mechanical bearings and Selection” at Padre Conceicao College Engineering, Verna, Goa on 23rd Sept 2021.

Paper Publication and Presentation

Name of faculty

Achievement Details

Computer Engineering

Dr. Amiya Tripathy

Jointly published, “Cryptanalysis of Near Field Communication Based Authentication Protocol for Mobile Payment System”, Wireless Personal Communications, 2021, “Predictive Analytics of User Cognitive Styles in Online Shopping”, IJCIS, 2022 & “A Blockchain-Based Verification System for Academic Certificates”, 2021 ICSCAN & “Campus Safety and Hygiene Detection System using Computer Vision”, 2021 for ICAC3

Prof. Sejal Chopra

Jointly published, “FallStop-A deep learning approach to real time fall detection and monitoring of vital parameters”, 2021 IEEE India Council International Subsections Conference (INDISCON)

Prof. Sana Shaikh

Jointly published, “TradeZilla Using Algorithmic Trading”& “Geographical Crime Rate Prediction System”, 2021 IEEE India Council International Subsections Conference (INDISCON)

Prof. Dipti Jadhav

Jointly published, “NAYAN-DRISHTI: A Revolutionary Navigation/Visual Aid for the Visually Impaired”, ICT Analysis and Applications, 2021

Information Technology

Prof. Janhavi Baikerikar,
Prof. Nilesh Ghavate,
Prof. Vaishali
Kavathekar

Smart Door Locking Mechanism INTERNATIONAL CONFERENCE ON NASCENT TECHNOLOGIES IN THE ENGINEERING FIELD (ICNTE)

Prof. Prasad Padalkar

IoT based Water Pollution Reporting System 2021 2ND GLOBAL CONFERENCE FOR ADVANCEMENT IN TECHNOLOGY (GCAT)

Paper Publication and Presentation

Name of faculty

Achievement Details

Electronics and Telecommunication

Dr Sudhakar Mande

Jointly published “A 4-Bit 4GS/s Differential Current Steering DAC for 16-bit PAM Transmitter in 45-nm CMOS Technology,” International Journal of Applied Nanoscience. Jointly published “A Novel Encoder Architecture for 8-bit Flash ADC”, 2021 International Conference on Smart Generation Computing, Communication and Networking (SMART GENCON), Jointly published “Design of Ultra Low Noise High Precision Bandgap Voltage Reference”, 2021 International Conference on Smart Generation Computing, Communication and Networking (SMART GENCON).

Prof. Pratibha Dumane

Jointly presented a paper titled “Fuzzy Based Sustainable Development Assessment for South Asian Countries” in the Conference on Technologies for Future Cities (CTFC 2021) organized by Pillai College of Engineering, New Panvel, on 8-9 October 2021.

Mechanical Engineering

Dr. Pradeepkumar
Suryawanshi

P. Suryawanshi and A. Gupta presented, A mass-spring model for Physically realistic haptic rendering of deformable objects,”in ICHVR-2021 and Published in 2022 International Symposium on Electrical, Electronics and Information Engineering(ISEEIE).A novel mass-spring model for simulating Deformable objects,” Accepted for Publication in Journal of Mechanics of Materials and Structures ,Jun-2022

Paper Publication and Presentation

Name of faculty	Achievement Details
Prof. Shreeprasad Manohar	<p>Review of Materials suitable for Tissue-engineered bone scaffolds”, at 2nd International Conference on Emerging Global Trends in Engineering and Technology, April 21-23, 2022, ADBU, Assam, India. Recent Advances in Manufacturing Processes and Systems. Lecture Notes in Mechanical Engineering. Jan 2022, pp 869-883, Springer, Singapore.</p> <p>Developing a 3D printed patient-specific cast for a fractured wrist from CT Scan Data, International Journal of Mechanical and Production Engineering Research And Development (IJMPERD) ISSN(P):2249–6890; ISSN(E):2249–8001. Review of enhancement of polymer for Mechanical extrusion process by Combining with filler material, 2nd International Conference on Recent Advances in Manufacturing (RAM-2021), Jun. 10-12, 2021, SVNIT, Surat, Gujarat, India</p>
Dr. Shashikant Pawar	<p>Published a paper on “Design and Fabrication of Floating Garbage Collection System” at International Journal of Advances in Engineering and Management (IJAEM) Volume 4, Issue 6 June 2022</p>
Prof. Sudhakar Ambhore	<p>“Solar Panel with Sun Position Tracking and Automatic Cleaning System” at International Journal for Research in Applied Science & Engineering Technology Journal.</p> <p>Effect of Core Geometry, Orientation, and Support on the Core Shifting Mold” at International Journal for Research in Applied Science Engineering Technology Journal</p>
Prof. Cleto Pereira	<p>Published a paper on “Passive Cooling System to Provide Thermal Comfort” at International Journal for Research in Applied Science & Engineering Technology Journal.</p>

Paper Publication and Presentation

Name of faculty	Achievement Details
Basic Science And Humanities	
Dr. Vinod Gokarna	Influence of molecular weight of poly (methyl methacrylate) on its properties with poly (vinyl chloride); Under Review.
Prof. Sameer Ulhas Hadkar	<p>Jointly published-“Facile Synthesis and Morphology Dependent Photocatalytic Activity of ZnO Nanostructures”- Macromolecular, 2021 - Wiley Online Library.</p> <p>Jointly published-”Morphological and Thermal Behavior of Monomer Dispersed Liquid Crystal”- Springer- Cited by 2</p> <p>Jointly Published “Effect of polymer concentration on optical and electrical properties of liquid crystals for photonic applications”- Materials Today, 2022 - Elsevier - Cited by 1</p> <p>Jointly published- “Wavelength and temperature dependent refractive index of polymer dispersed nematic liquid crystal”-2022 First, 2022 - ieeexplore.ieee.org.</p>

Research / Ph.D., Patent and Consultancy	
Name of faculty	Achievement Details
Mechanical Engineering	
Prof. Shreeprasad Manohar	Pursuing Ph.D. from Assam Don Bosco University in "Biomedical application of 3D Printing"
Prof. Buddhipriy Chavan	Pursuing Ph.D. from Indian Institute of Technology, Mumbai
Basic Science And Humanities	
Dr. Vinod Gokarna	Patent: Pharmaceutical Composition for bioenhancement of active agents.(Indian Patent no. 323787)

STUDENT ACHIEVEMENTS

Student Name	Event/Project/Sports	Achievement
Technical Achievements		
Sahil Shelke Teknack	ACM DBIT Tech Team	Best Game Concept
Alston Fernandes	ACM DBIT Tech Team Course- New Framework	Certificate
Rakshita Khantwal	Technical Writing Competition conducted by IETE-DBIT-ISF on behalf of IETE	Second Prize
Sarika Galphade	Technical Writing Competition conducted by IETE-DBIT-ISF on behalf of IETE	Third Prize
Adarsh Rao	Technical Writing Competition conducted by IETE-DBIT-ISF on behalf of IETE	Consolation Prize
Pratham Milind Amare, Pratham Pravin Koturwar, Bhagyesh Shubhas Manjrekar	Technical Treasure Hunt Competition organized under Oscillations 2022.	First Prize
Rohit Radhashayam Gupta, Kshitij Bare, Nitish Chavan	Technical Treasure Hunt Competition organized under Oscillations 2022.	Second Prize
Satyam Shukla, Jay Dulange, Leroy Rodrigues	Technical Treasure Hunt Competition organized under Oscillations 2022.	Third Prize

Student Name	Event/Project/Sports	Achievement
Technical Achievements		
Team Name: Puzzles.exe Team Members: Kshitij Rao, Abhijeet Ringe, Amish Thekke Parambil, Tanmay Salunkhe, Rutvij Patil, Saloni Dhotre	Smart India Hackathon (September 2022)	First Prize In The Problem statement 'Software for system hardware inventory' (GR918)
Team Name: Node Controllers Team Members: Alston Fernandes, Shubham Talawadekar, Aniket Parate, Likla Sinha, Manish Shingre, Rhea Dsouza	Smart India Hackathon (September 2022)	Participated in the grand finale
Cultural Achievements		
Lavena Babu	TAAL SE TAAL (SOLO DANCING-REGIONAL)	Third Prize
Drama Club: Praestantia	K.J.Somaiya 'Symphony 2022'	Second Prize
Sports Achievements		
Pratik Daga	Table Tennis Doubles	First Prize

DBIT AFFAIRS

IQAC REPORT 2021-22

During AY 2021-2022 **Internal Quality Assurance Cell (IQAC)** has taken various initiatives to improve the overall quality of teaching learning processes. Faculty Development programme on NBA accreditation programme was conducted **May 24, 2022** which was attended by **44 faculty members**.

Following topics were discussed during the FDP.

- Bloom's Taxonomy for Enhancing Quality of Teaching Learning
- How to prepare CO-PO Matrix
- How to calculate CO and PO attainment

Further, IQAC has taken an initiative to restructure the various committees for effective functionality. IQAC has also conducted various **faculty development programme** on various topics like:

- Professional Ethics by Dr. Devyani Rozario
- Technologies for sustainable development by. Mr. Ashok Kalbag
- Seven Tools of Quality by Mr. Santosh Khandagle.

In addition to this IQAC has also taken an initiative to prepare and publish a technical paper based on Final Year Project Work. The outcome of this initiative is each department has come out with a technical magazine as follows:

- **PubTech** – Department of Electronics and Telecommunication
- **Compendium** – Department of Mechanical Engineering
- **Tech IT** - Department of Information Technology

IQAC has successfully submitted AQAR for AY 2020-21 and AY 2019-20.

ACADEMIC ADVISORY COUNCIL

Sr No	Department	Name Of AAC Members / Faculty Members	Name Of Organisation with Designation
1	Mechanical Engineering	Dr. S. Krishnamoorthy	Mentor (Mechanical Engineering Dept) Advisor, DBIT
2		Mr Prashant Chouthkanthiwar	Associate Vice President at Godrej & Boyce
3		Prof. Bhalchandra Puranik	Professor, IIT Bombay
4		Mr. Shreyas Bakshi	Innovation Wor(k)shipper, Leader, Strategist, Coach, Advisor, Architect, Facilitator
5	Electronics and Telcom.	Dr. Nitin Kale	Chief Technology Officer, Nanosniff Technology Pvt. Ltd, Mumbai
6		Dr. NandKumar R. Gilke	Registrar, Somaiya Vidyavihar University
7		Mr. Sumitkumar Dubey	Senior Engineer, Qualcomm-RF Software
8		Ms. Dhanshree Rane	Network Planning Engineer, Tata Communications
9		Mr. Abhay Phansikar	Corporate Strategy & Technology, Consultant, Department Mentor
10		Mr. Jason Fernandes	Alumni representative (Radar Algorithm Developer, Autonomous Mobility continental, Bavaria, Germany)

Sr No	Department	Name Of AAC Members / Faculty Members	Name Of Organisation with Designation
11	Computer Engineering	Mr. AtulGandre,	Global Technology Head IBM
12		Mr. SujeetkumarSinha	Sr. Technical Analyst Colgate Global Business Services Pvt. Ltd.
13		Mr. Thomas Lobo, Founder	CEO at Roots2Wings Training Solutions
14		Prof. Surya S. Durbha	Professor at CSRE, Indian Institute of Technology Bombay (IITB)
15		Mr. Reyner D'souza	Digital Business Integration Consultant, Accenture
16	Information Technology	Mr. Sobin George	Lead Software Developer atMorgan Stanley, Bengaluru
17		George Joseph	Associate Manager, Accenture, Bangalore
18		Ms. Reshma Xavier	Consultant, Deloitte

FACULTY DEVELOPMENT PROGRAMME

Sr No	Topic	Resource Person
1	Standardisation of online teaching & Objective setting. Preparation for new admissions	Dr.Prasanna Nambiar
2	Discussion on role of various committees in improving NAAC, NBA and NIRF scores	Dr.Mande & P. Nambiar
3	The New Education Policy, NEP this activity was done jointly with Don Bosco College	Dr. Gopal, Director of DY Patil Management Institute
4	Presentation on understanding NIRF ranking Address by Executive Director	Dr.Phiroj Shaikh
5	Sensor Technology	Department of Electronics and Telecommunication Engineering, Xavier Institute of Engineering, Mahim, Mumbai.
6	Incorporating Universal Human Values in Education	AICTE initiative
7	AI & Data Science - The Future of Tomorrow	Dept. of Comp. Engineering, Rajiv Gandhi Institute of Technology, Mumbai
8	Incorporating Universal Human Values in Education	All India Council for Technical Education (AICTE)
9	Integrated Project Based Learning	Dr.S.Krishnamoorthy
10	Working Harmoniously for Institution Building	Rev. Fr. Godfrey D'Sa, Founder-Director, Prafula, Centre for Psychological Wellness

ALUMNI ENGAGEMENT

Event		Organiser	Resource person
Alumni Exit Interview		Dr. Amiya Kumar Tripathy, Ms. Sana Shaikh and Ms. Ditty Varghese	Mr. Wayne Fernandes, Ms. Jaison Jeslyn, Ms. Cynthia Mascarenhas, Mr. Taha Kazi (graduated students of the 2021 batch)
TALKS			
Sr. No.	Topic	Alumnus Speaker	
1	Use of CNN for Classification with Google Colab	Mr. Abhiram Pillai (Batch 2021)	
2	The Data Journey from Source to Visualisation	Ms. Tanuja Mehra, (Batch 2019), Incubyte Datatech	
3	Cyber Security	Ms. Sanjana Ingale (Batch 2017), Consultant - Cyber & Strategic Risk, Deloitte India (Offices of the US)	
4	Product Development and Engineering Design as a Career	Mr. Gaurav Pednekar, (Alumnus - 2015 Batch), Design Engineer Consultant, Capgemini India Tech. Services	
5	An Insight into Life after DBIT	Ms. Lakshmi Prasad (Alumnus - 2017 Batch) Scientist, Liquid Propulsion Systems Centre	
6	Insights into Life @ DBIT	Ms. Minita Joshee (Alumnus - 2021 Batch), Assistant System Engineer - Trainee at Tata Consultancy Services	
7	Insights on being a Mechanical Engineer	Mr. Thomas Tom- Trail Engineering II- Body Validation Engineer at Rivian, USA – DBIT Alumnus Batch of 2015.	

PARENTS TEACHER MEET

FIRST YEAR	
Class	Points of discussion
Div A	<ul style="list-style-type: none"> > Ward's overall performance > IA result > Attendance for that month > Parents requested for an offline meeting
Div B	<ul style="list-style-type: none"> > Parents inquired about practicals > Discussion of IA marks > Guidance for regularly attending online lectures.
Div C	<ul style="list-style-type: none"> > IA results > Student attendance > Explaining the pattern of M.U. papers.
Department	Points of discussion
Computer Engineering	<ul style="list-style-type: none"> > Displaying ongoing departmental activities > Internship opportunities, > IA-1 results & academic progress > Attendance status.
Information Technology	<ul style="list-style-type: none"> > Results of IA-1 (Sem-3) > Difficulties in enhancing the quality of teaching-learning process from both ends.
Electronics & Telecommunication	<ul style="list-style-type: none"> > Student's academic progress > Tips to improve cognitive abilities and communication.
Mechanical Engineering	<ul style="list-style-type: none"> > IA-1 marks > Class attendance > Any financial difficulties of the students > Q&A session with parents .

N.S.S. & OUTREACH ACTIVITY

The National Service Scheme (NSS) unit started in DBIT in the year 2005. Every year 150 students from DBIT are actively involved in NSS activities like health, education, social engineering projects and environment projects. The volunteers of NSS always have an approach towards holistic community development through various levels of direct and indirect interventions in urban and rural areas from Maharashtra. Implementable, Majorable and Sustainable are key indicators for the NSS units to conduct their activities. DBIT NSS unit received an award from NSS cell of Mumbai University as best district level college and program officer in the year 2015-16. The NSS website of Mumbai University and NSS E-Diary application is designed by the NSS volunteers from DBIT. Through NSS activities students are getting experiences of working with the community to solve their problems by giving them technological solutions. The following activities were conducted in the academic year 2021-22

Sr No.	Name of the activity-particular	No of NSS volunteer participated	No. of Beneficiaries, if any
1	Mahad Flood relief	2+NSSPO	200
2	Blood Donation Drive at Kurla Railway Station	10	38
3	Vaccination drive	10	62
4	Sessions attended by Volunteers	4	4
5	Christmas Mela for HIV children	12	100
6	Entrepreneurship training	8	46
7	Utkal school STEM workshop.	4	92
8	3D Printing workshop	4	25
9	Beach clean-up	22	22
10	GIS mapping in campus	43	43
11	Plantation in campus	12	12
12	Disaster Management Workshop	26	71
13	Milind Nagarsurvey And project work	14	300
14	Jawahar College teaching	2	15
15	Waste management Campaign in college	20	700
16	Ecogarden	20	20
17	Women SHGs tall	4	14
18	Composting sale	5	15
19	Tech Fest college	55	1500
20	Hysteria volunteering	52	500
21	Job portal	3	25
22	Muskan project	40	40

NSS RURAL CAMP 2021-2022

Dates: - 4th to 10th March 2022

Duration: - 06 days

Venue: - Walvanda village, Jawhar, Palghar District

Number of students: - 50 NSS volunteers (15 Girls and 35 Boys).

On 4th March 2022 at 11:30am Camp Orientation : Detail orientation was given to all the NSS volunteers by Fr. Anaclete D'mello, Fr. Johnson Kshirsagar, Mr. Prakash Wagh, Prof Tayabali ,Mr. Harmik Singh , Mr. Royal Dsouza. From 06-03-2022 to 09-03-2022 Yoga Activities were conducted. On 7th March volunteers taught students basic Grammar and basic Maths and conducted drawing competition in Zilla Parishad. On the last day students conducted Cultural activities.

COUNSELLING & MENTORING

After the few initial hiccups, the counselling department took up the work with ease and comfort. The important work that the department did in this annual year is working for the mentoring process. Before the meetings with the staff members began, there were meetings and discussions between the counsellors over the mentoring process. There were meetings with all the mentors of each departments and the counsellors where they were the topics discussed were:

- To understand students' aspirations and aptitude
- To follow up on the students' academics and attendance
- To help students identify support systems for their academic progress and mental well-being so that they excel as engineers

On **July 5, 2021** a meeting was called to discuss the plan for 2021-22 and also about having a mentorship manual. On Aug 21, 2021 This meeting was called to finetune the objectives of the mentoring committee. On Aug 31, 2021 This meeting was called to discuss about the documentation of NBA Criterion 9.

Meeting with Peer Mentors on May 2, 2022- This meeting was convened with the Campus Minister and the Mentoring Committee members to know from the peer mentors

- (i) their experiences as peer mentors,
- (ii) how they have benefited from this process and
- (iii) their suggestions to improve the process

Meeting of the mentoring committee on May 9, 2022- This meeting was convened to discuss about the document that each Faculty mentor needs to maintain and submit and Obtaining feedback from FE and SE mentees. Then there was Feedback from FE Mentees. June 2021- Feedback from FE mentees were taken and report was submitted to Campus Minister and Principal. Counsellor's session for COMP faculty was held on Sept 28, 2021: Prof. Linda Dhakul conducted a session for the faculty of Computer Engineering Department.

Team Building and Goal Setting - session was conducted for SE Comp students On March 30, 2022- Mr. Royal D'Souza conducted a session on Team building and goal setting for the SE Comp students then Feedback from Peer Mentors, FE and SE Mentees .On May 2022 Feedback from FE and SE mentees were taken as well as from SE Peer mentors regarding mentoring.

Regular Mentoring done by faculty and peer mentors

The consolidated reports of the mentoring was done by faculty and peer mentors were submitted to the respective departments, based on the mentoring reports submitted by the mentors- twice per semester.

KARJAT NATURE TRIP FOR FE STUDENTS

On 22nd July, 2022, the students of First Year engineering were taken for a Nature Trip & Adventure Program to Karjat, Raigad.

Don Bosco has its own **Yuva Sanstha** in Karjat that has been a place for the growth of students in various manners. This year's trip had a theme of "**Youth for Adventure and Being with Nature**".

The objectives of this trip was to help build confidence in students and motivate them to work for their personal growth by dealing with multiple personal matters.

The second objective was to make the students feel one with the ecological environment. Better understanding and greater knowledge was acquired by the students regarding the same and to implement principles of **sustainability** on and off campus.

Several activities were conducted to achieve the said objectives and help mold the students in becoming good leaders.

STUDENT CHAPTER ACTIVITIES

ACM DBIT

Chairperson: Grejo Joby

Vice-Chairperson: Hayden Cordeiro

Convener: Prof. Sana Shaikh

Organized: Workshops on Web Development, Advanced WebDev, PC Assembly, Arduino. Competitions like COD-IT, Digital Poster Making, Database Linking to Flask and Teknack

CSI DBIT

Chairperson: Vendra Sekar

Vice-Chairperson: Suhani Desale

Convener: Prof. Nilesh Ghavate

Organized: Workshops on Photoshop, UI/UX, Linux & PC Assembly, Flask, Ethical Hacking. Competitions like Mumbai Hackathon & Data Treasure Hunt

IEEE DBIT

Chairperson: Ajitha Rajkumar

Vice-Chairperson: Ashutosh Rane

Convener: Prof. Gejo George

Organized: Workshops on WebIntroduction, Micro Bit using Tinkercad, Introduction to CNN and its Use for Image Classification, Considering EMC at Design Stages (MTTS) Symposium On 5G:A catalyst to Digital Revolution & Roboton - Robotics Symposium

IETE-DBIT-ISF

Chairperson: Shubhangi Katariyar

Vice-Chairperson: Dhanashree Chilap

Convener: Prof. Poonam Chakraborty

Organized: IETE-DBIT-ISF was one of the ISFs that were selected as the BEST ISFs by the IETE Mumbai Centre for the academic year 2021-22. The IETE DBIT Student Chapter Coordinator Mrs. Poonam Chakraborty received the award during the IETE Oscillations Valedictory Ceremony on 16 April 2022.

ISHRAE-DBIT

Chairperson: Saurabh Yadav

Vice-Chairperson: Tarun Mulani

Convener: Prof. Cleta Pereira

Organized: Webinar on “HVAC Design changes Amid COVID-19 in Hospitals, “Women in Leadership: Achieving Equal Future”. Organized a workshop on AC Maintenance & Installation. Carried out Industrial visits to Zeco Aircon Ltd., Kurger Ventilation 7 Advantek Air Systems Ltd.

MADGEARS MOTORSPORTS CLUB

Chairperson: Souvik Giri

Vice-Chairperson: Bhavika Dongre

Convener: Prof. Nilesh Gaware

Organized a workshop on “Fundamentals of Automobiles”. Participated in an e-bike design competition by FMAE and secured the 4th position.

DOMAIN (MATHS CLUB)

Chairperson: Hrishikesh Panigrahi

Vice-Chairperson: Raveena Pitale

Convener: Dr. Revathy Sundararajan

Conducted calculator workshop for FE students. Conducted peer learning FE and DSE students. Organized a Technical Paper Presentation competition as a part of Colosseum 2022.

PHYSICS CLUB

Chairperson: Saloni Dhotre

Vice-Chairperson: Kshitij Rao

Conveners: Dr. Vinod Gokarna and Prof. Sameer Hadkar

Organized: Conducted Physics Hackathon and a Physics Escape Room as a part of Colosseum 2022. Organized a physics quiz competition as well.

E-CELL (ENTREPRENEURSHIP CELL)

Chairperson: Tanmay Bora

Convener: Prof. Kalpita Wagaskar

Organized: Conducted the flagship event: Make-A-Thon, an intercollegiate competition that gives rise to the budding entrepreneurs. The objective was to work as a team for a limited time, 2 to 3 months, to ideate, create and deliver solutions to the problems and challenges given to them.

FROM THE EDITORIAL TEAM

We are extremely proud to present the Annual Report for the academic year 2021-2022.

This academic year, we experienced our first post-lockdown offline semester. In spite of this switch, DBIT has been persistent in maintaining the holistic development of students. I would like to applaud everyone involved in providing an environment for the students to reconnect, learn and grow for a comprehensive development

I want to send my sincere gratitude to the Principal, the Administration, the faculty members and my editorial team for putting great effort into the making of this Annual Report.

THE DON BOSCO ETHOS

Truth : Via words and deeds
Teamwork : One for the Other
Participation : Explore & Learn
Belief : Everyone Can

The Don Bosco Education believes in the Spirit of Joy, Celebration, Confidence, Familiarity, Friendliness and Freedom. The focal point of the Don Bosco Education is to pervade and integrate the presence of Home, Playground and Classroom. It intends in building Education for a Happy life.

The Don Bosco presence is Welcoming, Loving, Motivating and Incarnational. It Teaches Moral Values and Molds Creativity along with being Open to Discovery and Connecting with others.
